Application No. 10/533,455

: DECISION GRANTING PETITION  
: TO RESET PERIOD FOR REPLY  
:

This is a decision on the petition filed on 15 February 2007, requesting that the shortened statutory period for reply set forth in the Office communication mailed on December 8, 2006 be reset to run from the date on which the Office communication was actually received at the correspondence address of record.

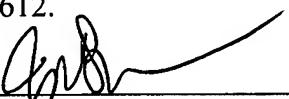

The petition is GRANTED.

Petitioner provided a statement that the Office communication in question was received at the correspondence address of record on 15 February 2007. The petition was filed within two weeks of receipt of the Office communication. A substantial portion of the set reply period had elapsed on the date of receipt.

Accordingly, the shortened statutory period that was originally set forth in the Office communication originally mailed on December 8, 2006 is hereby reset to run FROM THE RECEIPT DATE OF 15 February 2007.

A response to the above mention office action was received on April 4, 2007 including a 3-month extension of time payment of \$510.00. With the granting of this petition only a 1-month extension of time payment of \$60.00 is necessary to make the response timely. This decision will be forwarded to the Technical Support Staff to refund to your deposit account number (13-3860) the difference in the amount paid verses required of \$450.00.

Any inquiry concerning this decision should be directed to Tod Swann whose telephone is (571) 272-3612.
